Arabic	Yes		Yes	Yes	
English	Yes	Yes	Yes	Yes	Yes
French	Yes			Yes	

DEGREES

Present PhD (c), Population Health, University of Ottawa, Ontario, Canada
 2003 Master in Health Administration (MHA), University of Ottawa, Ontario, Canada
 2001 Master of Science (MSc), Reproductive Biology, Queen’s University, Ontario, Canada
 1999 Bachelor of Science Honors (BSch), Life Sciences, Queen’s University, Ontario, Canada

RECOGNITIONS AND AWARDS:

2023-2024 Ontario Graduate Scholarship – University of Ottawa (\$15,000)
 2022-2023 Canadian Institute for Health Research Health Systems Impact (CIHR-HIS) Doctoral Fellowship (\$50,000)
 2022 Finalist in Canada School of Public Service, National Student Paper Competition
 2022-2023 Covidence Global Scholarship Program - Tier 1 award (\$15,000)
 2022-2023 Ontario Graduate Scholarship – University of Ottawa (\$15,000)
 2021-2022 Stephen D. Latté Award for Research Excellence
 2021-2022 Ontario Graduate Scholarship – University of Ottawa (\$15,000)
 2019-2023 Doctoral Admissions/Entrance Scholarship – University of Ottawa (\$36,000)
 2006 International Award for Excellence for The International Journal of Health, Wellness and Society, Volume 5
 2001 Admissions Award to MHA Program – University of Ottawa (\$2500)
 1995 McMaster Entrance Scholarship – McMaster University, Faculty of Arts and Science (declined)

EMPLOYMENT

2022 – present Canadian Red Cross, Canadian Institute for Health Research Health Systems Impact (CIHR-HSI) Doctoral Fellow

2019 - present	Full-Time Doctoral Candidate & Researcher, Population Health Program, Interdisciplinary School of Health Sciences, University of Ottawa
2019 - present	Teaching assistant, Faculty of Health Sciences, University of Ottawa: Fall 2019; HSS3101A: Health Research Methods; Fall 2019; HSS2102A: Communication and Health; Winter 2020: HSS2342B Nutritional Determinants of Health; Winter 2020: HSS4101: Development and Evaluation of Health Programs; Fall 2020: HSS4303A: Epidemiology; Winter 2021: HSS2321: Sociopolitical and Economic Perspectives in Health; HSS1101: Determinants of Health. Fall 2021 - HSS2102 Communications and Health; HSS2105: Understanding Mental Health. Winter 2022: HSS2105: Understanding Mental Health; HSS3110B: Epidemiology. Fall 2022; HSS2102 Communications & Health; HSS3101A Health Research Methods.
2019 - present	Research Assistant, Dr. Sanni Yaya Lab, International Development and Global Studies, Faculty of Social Science; University of Ottawa. Worked closely with team members to complete a systematic review of interventions promoting child sexual & reproductive health & rights in LMICS. Drafted & published review protocol, screened & selected relevant articles, synthesized, assessed, analyzed and summarized evidence as well as drafted publication ready manuscript.
2019-present	Senior Coordinator: Global Health Office Consultant - Faculty Of Health Sciences, McMaster University
2007 – 2019	Senior Coordinator: Global Health Office - Faculty Of Health Sciences, McMaster University. Accountable for planning, leading and directing logistics of education events, conferences, workshops, symposia and board meetings at McMaster's Global Health Office. Currently working on contract while completing PhD.
2006 – 2019	Research Associate: Nursing Health Services Research - Faculty Of Health Sciences, McMaster University; Grant/Proposal writing and coordination of ministry funded research projects.
2003 – 2006	Project Manager in Education & Research - Canadian Association of Schools of Nursing; Managed Education, Research and Scholarship Standing Committees Task Forces; designed, disseminated, collected & analyzed surveys to present to the Board, local and national forums; organized workshops, symposia, and forums.

Organized & planned logistics of consultation meetings, produced final work plan, summary of consultations, developed recommendations for dissemination of findings to the Council and Regional representatives.
1999 – 2001	Teaching Assistant - Department of Anatomy and Cell Biology, Queens University, Kingston, Ontario, Canada.
1999	Laboratory Research Assistant - - Department of Anatomy and Cell Biology, Queens University, Kingston, Ontario, Canada.

RESEARCH FUNDING HISTORY:

- 2023-2024 Perspectives of intimate partner violence survivors and violence against women (VAW) organizations on access and needs – a journey through COVID-19 lockdowns and post pandemic recovery in Ontario.
Principal Applicants: D. Idriss-Wheeler & Dr. Sanni Yaya (University of Ottawa) with Marlene Ham (Ontario Association of Interval & Transition Houses)
Funder: Social Sciences and Humanities Research Council of Canada – Partner Engage Grant (\$24, 996)
- 2018 Understanding the Changing Needs of the Global Health Job Markets: What are Employers looking for in our Graduates?
Principal Applicant: D. Idriss-Wheeler and A. Baumann
Funder: MacPherson Institute (McMaster University). - Priority Areas for Learning and Teaching Research (PALAT) Grant (\$4000.00)
- 2014-2018 Higher Education in Global Health Policy in Canada, Norway and their High North: A Partnership between McMaster University and University of South Eastern Norway (Buskerud & Vestfold University College).
Principal Applicant: A. Baumann (Canada) and S. Torp (Norway)
Co-Applicant: Dina Idriss-Wheeler, Karol Svanoa
Funder: Norwegian Centre for International Cooperation in Education (SIU); High North Fund (1.87 Mill Norwegian Kronner)
- 2012-2013 Employees Participating in Change (EPIC): An Empowerment Approach to Improving Staff Health, Safety and Wellness
Principle Investigator: A. Baumann
Co-applicant : Dina Idriss-Wheeler
Funder: Ministry of Health and Long-Term Care (\$203,708)
Subcontract to NHSRU from Public Services Health & Safety Association (\$79,591)
- 2010–2011 Identifying the characteristics of effective bridging programs for internationally educated nurses
Principal Applicants: Dina Idriss-Wheeler & A. Baumann
Funder: Canadian Association of Schools of Nursing (\$15,000)
- 2010-2011 McMaster University, Faculty of Health Science- Anesthesia, Surgery and Nursing, Canadian Bureau of International Education (CBIE)
Principal Applicant: A. Dauphin; Co-Applicant: A. Baumann
Co-Applicant: Dina Idriss-Wheeler
Funded: Department of Foreign Affairs and International Trade (DFAIT) (\$60,000)
- 2009–2010 Evaluation of a participatory ergonomic best practice program with the context of the OSACH Health and Safety Management System (EPIC)
Principal Investigator: A. Baumann
Co-Applicant: Dina Idriss-Wheeler
Funded: Ontario Neurotrauma Foundation (\$119,200)

2007–2009 Evaluation of OSACH’s health and safety management system pilot project
Principal Investigator: A. Baumann
Co-Applicant: Dina Idriss-Wheeler
Funded: Ontario Ministry of Health and Long-Term Care, Health Sector
Employment Strategies Unit (\$89,000)

2007–2009 Evaluation of the Nursing Graduate Guarantee
Principal Investigator: A. Baumann
Co-applicant: Dina Idriss-Wheeler
Funded: Ministry of Health and Long-Term Care (\$196,720)

PROGRAM DEVELOPMENT & TEACHING

2023 Lecturer, HSS4110 Population and Public Health – 4th year Health Sciences
February 28th, 2023. *Introduction to Harm Reduction*. Dr. Tracey O’Sullivan,
Professor, Interdisciplinary School of Health Sciences, University of Ottawa.

Ontario Public Interest Research Group (OPIRG) Workshop: The Many Forms
of Racism. February 17th, 2023.

2022 Lecturer, MSc. In Global Health, Faculty of Health Sciences, McMaster
University [Global Burden of Disease GLOBH707]. Jan-Apr 2022.

Lectures:

HSS4110 Population and Public Health – 4th year Health Sciences Lecture, March 21,
2022. *Introduction to Harm Reduction*. Dr. Tracey O’Sullivan, Professor,
Interdisciplinary School of Health Sciences, University of Ottawa.

POP8930 Ethics and Values - PhD Program, March 9th, 2022. Overview of Ethics and
Values. Dr. Annie Robitaille, Assistant Professor, and Dr. Tracey O’Sullivan, Associate
Professor, Faculty of Health Sciences, Interdisciplinary School of Health Sciences,
University of Ottawa.

CML4104 Reproductive Rights Law and Policy - 2nd & 3rd Year Law Lecture, February
3rd, 2022. Overview of Reproductive Justice. Prof. Vanessa Gruben, Associate
Professor, member of Centre for Health Law, Policy & Ethics, Faculty of Law,
University of Ottawa.

2021 HSS4110 Population and Public Health – 4th year Health Sciences Lecture, March 202
24, 2021. *Introduction to Harm Reduction*. Dr. Tracey O’Sullivan, Professor,
Interdisciplinary School of Health Sciences, University of Ottawa.

2016 – 2019 Program Manager for development of a 12 week semester for McMaster University
Global Health. Program Title: Global transition within local communities. Small
place, big changes. Course Level: Graduate; Program Description: This is a joint
semester between McMaster University and the University of South Eastern
Norway. Graduate students (Master’s of Science in Global Health) travel to
Tonsberg, Norway on exchange for three months to complete a semester
exchange. The semester course is focused on how the populations in Canadian and

Norwegian regions face similar threats to their natural resources, their health, and their rights; particularly in the High North.

EVENT ADMINISTRATION

- 2023 Co-organizer, Population Health Graduate Student Association Writing Retreat, June 2nd-4th 2023.
- 2018/10 Lead Organizer, *Global transition within local communities, small places, big changes*. Workshop - Event highlighted the four-year High North Programme and strengthening partnership, focusing how the populations in Canadian and Norwegian regions face similar threats to their natural resources, their health, and their rights, in a globalized world. Agenda included issues of climate change, migration, and mental health. Responsible for all logistics of symposium including coordinating/drafting symposium program, organizing the presenters, and ensuring marketing/communication internally and externally.
- 2017/05 Lead Organizer, *Symposium on Antimicrobial Resistance, Seminar* - Included 3 events and collaboration with three departments and an international component of invited speakers/guests, including Her Royal Highness Princess Margriet of the Netherlands as Guest of Honour. Created a comprehensive plan which included detailed communication strategy (key contacts - security, PR, Embassy of the Netherlands & Toronto Consulate, McMaster's president's office, Mayor of Hamilton's office, RCMP), responsible for risk management plan, marketing plan,, stakeholder plan and organization of entire event.

EDITORIAL & EVALUATOR ACTIVITIES

- 2023 Evaluator for the Canadian Conference on Global Health (CCGH) Abstract submission for the 2023 Conference.
- 2021 – present Peer Reviewer for Social Media + Society, BMC Women's Health, BMC Public Health, BMC Pregnancy and Child Birth, Cogent Social Sciences, Humanities & Social Sciences Communications, PLOS ONE, Sexual and Reproductive Health Matters
- 2021 Evaluator for the University of Ottawa Annual Health Sciences Masters Students Research Day

MENTORING ACTIVITIES

- 2021 - present Academic mentoring to PhD Students - provide academic guidance and mentorship to three PhD Candidates in Sociology (Karine Coen-Sanchez), International Development (Akalewold Gebremeskel) and Population Health (Julia Hajjar) at University of Ottawa; and one PhD Student at McMaster University, Global Health (Mercy Lilian Gichuki).
- 2020 - present Mentoring First Year Population Health Graduate Students, University of Ottawa
Number of Mentees: 6.
Lead the Population Health Graduate Student Association (PHGSA) Mentorship program at the University of Ottawa to link incoming first year PhD Population

Health Students with upper years to provide academic and social support throughout the year (2019-2022).

COMMUNITY & VOLUNTEER ACTIVITIES

2023	Team Manager (U12 Boys soccer) and Treasurer (U10 Boys soccer), Gloucester Hornets Soccer Club. Organized schedule for practice, games and tournaments; set up banking, financing and payments for soccer team activities.
2020 – present	Profiles in Leadership Series - Interdisciplinary School of Health Sciences, University of Ottawa. Working with the School Director and graduate students as lead planner to organize and deliver a six-session series with Leaders in Health Services and the health sciences.
2020 – present	Moderator, Anti-racism Panels – working closely with organizer, Karine Coen-Sanchez, Doctoral Student at the University of Ottawa, School of Social Sciences to deliver and evaluate anti-racism in academia panels. Panelist included Celina Caesar-Chavannes, Dr. Afua Dadesen Cooper, Dr. Boulou Ebanda De B’Ber, Dr. Faye Harrison. <ul style="list-style-type: none">- Expert Student Panel: Let’s talk systemic racism (August 10th, 2020)- Let’s talk racism: Canadian Sociological Association Webinar (September 17th, 2020)- A Faculty Discussion: Institutional Racism in Academia (October 29, 2020).- “What about us?” A Scholarly Discussion (March 12, 2021).
2020 – 2022	Population Health Writing Group – Lead planner and co-facilitator of the Population Health PhD students/candidates to discuss writing goals and setting targets for writing manuscripts, grants, fellowship/award applications. Organize monthly expert speakers to discuss key writing themes.
2022 – present	Treasurer, Population Health Graduate Student Association
2019 – 2022	Co-President/Interim Treasurer, Population Health Graduate Student Association
2020 – present	Dr. Sanni Yaya Lab Webinar Series Planning Committee
2019 – present	Executive member on Booksale Fundraising and Volunteering at local public school (Mutchmor Public School) and regularly volunteer in school activities (i.e. Terry Fox run, elementary field trips, reading/assisting in classrooms).
2016 – present	Interpreter, Liaison and Fundraising, Ottawa Centre Refugee Action & There’s Room, Refugee Sponsorship Group - Worked closely with settlement team to reunite newcomers with their family from Syrian Refugee Camps in Turkey and Lebanon. Provided interpretation services (Arabic - English) for key logistics (housing, schools, banking, flights, government papers and medical appointments). Worked on fundraising activities for family reunification.
2017 – 2022	Assistant Coach & Team Manager, Ottawa Internationals Soccer League Managed U12 Local Girls' Soccer Team (summer 2019) – organized schedule for practice, games and tournaments. Coached (summer 2017 & 2018) and Assistant Coached

(summer 2019) U7 Boys' Soccer Team. Co-treasurer for Gloucester Hornets U9 Boys Soccer (2021).

2013 – 2019

Registrar, Good Morning Creative Arts and Preschool – Registrar for six years on Executive Board of the local co-op community preschool & creative arts program. Electronically registered applicants completed monthly electronic deposits, organized tax receipt; worked closely with accountant, President and Treasurer on financial statements/tax information.
