DEGREES

Present	PhD (c), Population Health, University of Ottawa, Ontario, Canada
2003	Master in Health Administration (MHA), University of Ottawa, Ontario, Canada
2001	Master of Science (MSc), Reproductive Biology, Queen's University, Ontario, Canada
1999	Bachelor of Science Honours (BScH), Life Sciences, Queen's University, Ontario, Canada

EMPLOYMENT

Aug. 2024 – Present	Associate Director, uOttawa Centre for Health Law, Policy, and Ethics (CHLPE). CHLPE serves as a nexus for fostering interdisciplinary collaborations and knowledge dissemination among scholars, policymakers, professionals, and the public. As the Associate Director, I support the Centre by coordinating complex programming, enhancing member support, and facilitating educational initiatives that bridge gaps between health law and broader community needs.
Aug. 2023 – Dec. 2025	Consultant, Prevention, Treatment and Rehabilitation Section, Drug Prevention and Health Branch, Division of Operations, United Nations Office on Drugs and Crime (UNODC). Researcher and evaluator of the implementation of family skills programmes under the UNODC global programme on Drug Use Prevention. My role includes cleaning data sets post data collection, analysis of data collected post-implementation of Strong Families (Cambodia, Lebanon, Italy and Ukraine) reporting/presenting results and drafting key sections of the scientific paper on effectiveness of the programs (10hrs/week).
Oct. 2023 – Dec. 2024	Part-time Professor, University of Ottawa, Interdisciplinary School of Health Sciences, PhD in Population Health. POP 8910: Scientific Paradigms in Population Health (Fall 2023). Co-facilitating the teaching of the POP 8910: Scientific paradigms in population health core PhD in Population Health course (Fall 2023) with Dr. Tracey O'Sullivan. Key responsibilities include facilitating student led presentations and discussions; creating and delivering lectures and facilitated subsequent discussion and engaged students to improve understanding of core complex population health concepts and paradigms; evaluating/providing constructive feedback on written assignments (10hrs/wk.) .
Aug. 2022 – Aug. 2023	Canadian Red Cross, Canadian Institute for Health Research Health Systems Impact (CIHR-HSI) Doctoral Fellow. Undertook a comprehensive range of duties including the design and planning of research projects, detailed statistical

analysis, and manuscript preparation for publication in scientific journals. Responsibilities also included supervising and mentoring student interns to enhance their research competencies through continuous feedback and task management. As an embedded research fellow, contributed operationally by providing expert technical advice and project management support to the health in emergencies team. This role emphasized the formulation of research questions, development of hypotheses, data organization, and execution of statistical tests to ensure the accuracy and relevancy of research findings to the field (30hrs/wk.).

Sept. 2019 – Present	Full-Time Doctoral Candidate & Researcher, Population Health Program, Interdisciplinary School of Health Sciences, University of Ottawa. Completing core and elective courses, completing and defending comprehensive exams, completing and defending dissertation proposal, and collecting data (interviews and survey). (10-20hrs/wk.).
Sept. 2006 – Aug. 2019	Senior Global Health Coordinator (Global Health) & Research Associate (Nursing Health Services Research Unit, NHSRU), Faculty of Health Sciences, McMaster University. Accountable for planning, leading and directing logistics of education events, conferences, workshops, summer institutes, symposia and board meetings at McMaster's Global Health Office. As a Research Associate at the NHSRU, participated in team grant/proposal writing and led coordination of research activities (conducting research, analysis, manuscript/report writing, presentations) for Ministry funded research projects (37hrs/week). - <i>Continued as a consultant between 2019-2023 for targeted programs/projects (5-10hrs/wk.) while completing doctoral studies.</i>
Sept. 2003 – Aug. 2006	Project Manager in Education & Research - Canadian Association of Schools of Nursing; Managed Education, Research and Scholarship Standing Committees Task Forces; designed, disseminated, collected & analyzed surveys to present to the Board, local and national forums; organized workshops, symposia, and forums (35hrs/wk.).
Apr. 2002 – Jul. 2003	Health Planner, Champlain District Health Council; Lead the 2002/03 Annual District Service Plan (ADSP) process for long term Care Community Support Services & Services for Adults with Physical Disabilities. Organized & planned logistics of consultation meetings, produced final work plan, summary of consultations, developed recommendations for dissemination of findings to the Council and Regional representatives (35hrs/wk.).
Sept. 1999 - Jul. 2001	Laboratory Research Assistant (20hrs/wk.) and Full-time master's student (15-20hrs/wk.): Department of Anatomy and Cell Biology, Queen's University, Kingston, Ontario, Canada.

TEACHING ASSISTANT EXPERIENCE

Sept. 2019 – Apr. 2024	Teaching assistant, Faculty of Health Sciences, University of Ottawa, Ottawa, Ontario, Canada (10hrs/week). Fall 2019: HSS3101A: Health Research Methods; HSS2102A: Communication and Health; Winter 2020: HSS2342B Nutritional Determinants of Health; HSS4101 - Development and Evaluation of Health Programs. Fall 2020: HSS4303A: Epidemiology. Winter 2021: HSS2321: Sociopolitical and Economic Perspectives
------------------------	--

in Health; HSS1101: Determinants of Health. **Fall 2021:** HSS2102 Communications and Health; HSS2105: Understanding Mental Health. **Winter 2022:** HSS2105: Understanding Mental Health; HSS3110B: Epidemiology. **Fall 2022:** HSS2102 Communications & Health; HSS3101A Health Research Methods. **Winter 2023:** HSS1101(A) Determinants of Health. **Winter 2024:** HSS2321: Sociopolitical and Economic Perspectives in Health; HSS3105: Global Citizenship & Health.

Sept. 1999 – Apr. 2001 **Teaching Assistant**, Department of Anatomy and Cell Biology, **Queens University**, Kingston, Ontario, Canada. Teaching Assistant for Life Sciences, Nursing and Phase I Medical School Anatomy and Histology courses (10hrs/week).

RECOGNITIONS, SCHOLARSHIPS, AND AWARDS:

2024	Dean's Award of Excellence 2024, Faculty of Health Sciences, University of Ottawa
2024	Research Impact Canada (RIC) Engaged Scholarship Doctoral Award (\$3000)
2024	Nichole Bégin-Heik University of Ottawa Scholarship (\$6500)
2024	First Place, Best Poster Award (PhD), Interdisciplinary School of Health Sciences, Faculty of Health Sciences, University of Ottawa.
2023-2024	Ontario Graduate Scholarship – University of Ottawa (\$15,000)
2022-2023	Canadian Institute for Health Research Health Systems Impact (CIHR-HIS) Doctoral Fellowship (\$50,000)
2023	Nominated and selected for PhD in Pop Health Plenary Lecture – Interdisciplinary School of Health Sciences Research Day (Declined due to scheduling conflict).
2022	Finalist in Canada School of Public Service, National Student Paper Competition
2022-2023	Covidence Global Scholarship Program - Tier 1 award (\$15,000)
2022-2023	Ontario Graduate Scholarship – University of Ottawa (\$15,000)
2021-2022	Stephen D. Latté Award for Research Excellence
2021-2022	Ontario Graduate Scholarship – University of Ottawa (\$15,000)
2019-2023	Doctoral Admissions/Entrance Scholarship – University of Ottawa (\$36,000)
2006	International Award for Excellence for The International Journal of Health, Wellness and Society, Volume 5
2001	Admissions Award to MHA Program – University of Ottawa (\$2500)

RESEARCH FUNDING HISTORY:

2023-2024	Perspectives of intimate partner violence survivors and violence against women (VAW) organizations on access and needs -- a journey through COVID-19 lockdowns and post pandemic recovery in Ontario. Principal Applicants: D. Idriss-Wheeler & Dr. Sanni Yaya (University of Ottawa) with Marlene Ham (Ontario Association of Interval & Transition Houses) Funder: Social Sciences and Humanities Research Council of Canada (SSHRC) – Partner Engage Grant (\$24,996)
2018	Understanding the Changing Needs of the Global Health Job Markets: What are Employers looking for in our Graduates? Principal Applicant: D. Idriss-Wheeler and A. Baumann Funder: MacPherson Institute (McMaster University). - Priority Areas for Learning and Teaching Research (PALAT) Grant (\$4000.00)

2014-2018	<p>Higher Education in Global Health Policy in Canada, Norway and their High North: A Partnership between McMaster University and University of South Eastern Norway (Buskerud & Vestfold University College).</p> <p>Principal Applicant: A. Baumann (Canada) and S. Torp (Norway)</p> <p>Co-Applicant: Dina Idriss-Wheeler, Karol Svanoa</p> <p>Funder: Norwegian Centre for International Cooperation in Education (SIU); High North Fund (1.87 Mill Norwegian Kroner)</p>
2012-2013	<p>Employees Participating in Change (EPIC): An Empowerment Approach to Improving Staff Health, Safety and Wellness</p> <p>Principle Investigator: A. Baumann</p> <p>Co-applicant : Dina Idriss-Wheeler</p> <p>Funder: Ministry of Health and Long-Term Care (\$203,708)</p> <p>Subcontract to NHSRU from Public Services Health & Safety Association (\$79,591)</p>
2010-2011	<p>Identifying the characteristics of effective bridging programs for internationally educated nurses</p> <p>Principal Applicants: Dina Idriss-Wheeler & A. Baumann</p> <p>Funder: Canadian Association of Schools of Nursing (\$15,000)</p>
2010-2011	<p>McMaster University, Faculty of Health Science- Anesthesia, Surgery and Nursing, Canadian Bureau of International Education (CBIE)</p> <p>Principal Applicant: A. Dauphin; Co-Applicant: A. Baumann</p> <p>Co-Applicant: Dina Idriss-Wheeler</p> <p>Funded: Department of Foreign Affairs and International Trade (DFAIT) (\$60,000)</p>
2009-2010	<p>Evaluation of a participatory ergonomic best practice program with the context of the OSACH Health and Safety Management System (EPIC)</p> <p>Principal Investigator: A. Baumann</p> <p>Co-Applicant: Dina Idriss-Wheeler</p> <p>Funded: Ontario Neurotrauma Foundation (\$119,200)</p>
2007-2009	<p>Evaluation of OSACH's health and safety management system pilot project</p> <p>Principal Investigator: A. Baumann</p> <p>Co-Applicant: Dina Idriss-Wheeler</p> <p>Funded: Ontario Ministry of Health and Long-Term Care, Health Sector Employment Strategies Unit (\$89,000)</p>
2007-2009	<p>Evaluation of the Nursing Graduate Guarantee</p> <p>Principal Investigator: A. Baumann</p> <p>Co-applicant: Dina Idriss-Wheeler</p> <p>Funded: Ministry of Health and Long-Term Care (\$196,720)</p>

TEACHING

2024	Lead the planning, designing, organizing and teaching of the POP 8910: Scientific paradigms in population health core PhD in Population Health course (Fall 2024).
------	---

2023 Co-taught **POP 8910: Scientific paradigms in population health** core PhD in Population Health course (Fall 2023) with Dr. Dr. Tracey O'Sullivan, Professor, Interdisciplinary School of Health Sciences, University of Ottawa.

2022 Co-taught **GLOBHTH707: Global Burden of Disease**, in the MSc. In Global Health, Faculty of Health Sciences, McMaster University with Dr. Deborah DiLiberto. Jan-Apr 2022.

INVITED LECTURES

2025 Knowledge mobilization 101 – Knowledge Mobilization Advisory Committee (Connexions Committee), University of Ottawa. Roberto Ortiz Nunez, Knowledge Mobilization Senior Advisor, Research Management Services. November 12.

2025 Lecturer, GLOB HTH 701 / Global Health Foundations I– Global Health, October 29th. Globalization, Neoliberalism, and Global health. Dr. Mary Crea-Arsenio, Assistant Professor, Faculty of Medicine, McMaster University.

Lecturer, CML4104 Reproductive Rights Law and Policy - 2nd & 3rd Year Law Lecture, February 7th. Overview of Reproductive Justice. Prof. Vanessa Gruben, Associate Professor, Director of the Centre for Health Law, Policy & Ethics, Faculty of Law, University of Ottawa.

2024 Lecturer, HSS4110 Population and Public Health – 4th year Health Sciences February 1st, 2024. *Introduction to Harm Reduction*. Dr. Tracey O'Sullivan, Professor, Interdisciplinary School of Health Sciences, University of Ottawa.

2023 Lecturer, HSS4110 Population and Public Health – 4th year Health Sciences February 28th, 2023. *Introduction to Harm Reduction*. Dr. Tracey O'Sullivan, Professor, Interdisciplinary School of Health Sciences, University of Ottawa.

2022 Lecturer, HSS4110 Population and Public Health – 4th year Health Sciences Lecture, March 21, 2022. *Introduction to Harm Reduction*. Dr. Tracey O'Sullivan, Professor, Interdisciplinary School of Health Sciences, University of Ottawa.

Lecturer, POP8930 Ethics and Values - PhD Program, March 9th, 2022. Overview of Ethics and Values. Dr. Annie Robitaille, Assistant Professor, and Dr. Tracey O'Sullivan, Associate Professor, Faculty of Health Sciences, Interdisciplinary School of Health Sciences, University of Ottawa.

Lecturer, CML4104 Reproductive Rights Law and Policy - 2nd & 3rd Year Law Lecture, February 3rd, 2022. Overview of Reproductive Justice. Prof. Vanessa Gruben, Associate Professor, member of Centre for Health Law, Policy & Ethics, Faculty of Law, University of Ottawa.

2021 Lecturer, HSS4110 Population and Public Health – 4th year Health Sciences Lecture, March 2022 24, 2021. *Introduction to Harm Reduction*. Dr. Tracey O'Sullivan, Professor, Interdisciplinary School of Health Sciences, University of Ottawa.

EDITORIAL, EVALUATOR AND PROFESSIONAL ACTIVITES

2025 Member, Knowledge Mobilization Advisory Committee (Connexions Committee), University of Ottawa

2025 Member, Canadian Association for Global Health

2025 Member, Knowledge Mobilization Excellence Award Committee, University of Ottawa

2021 – present Peer Reviewer for Social Media + Society, BMC Women’s Health, BMC Public Health, BMC Pregnancy and Child Birth, Cogent Social Sciences, Humanities & Social Sciences Communications, PLOS ONE, Sexual and Reproductive Health Matters; PLOS Global Public Health, Globalization and Health

2023 Evaluator for the Canadian Conference on Global Health (CCGH) Abstract submission for the 2023 Conference.

2021 Evaluator for the University of Ottawa Annual Health Sciences Masters Students Research Day

2020-2022 Member (Student Representative) on Faculty Council of Faculty of Health Sciences, Interdisciplinary School of Health Sciences Council, and Graduate and Research Committee (Faculty of Health Sciences).

MENTORING & SUPERVISORY ACTIVITIES

2025 Co-supervised students: 1 PhD Candidate (Alicia Czarnowski) and 2 Law Students (Denise Laghayi, Samantha Moreau) during project with the Survivor’s Circle for Reproductive Justice, addressing the impacts of forced and coerced sterilization of Indigenous communities.

2022-2023 Canadian Red Cross Co-supervised Masters Student at the Canadian Red Cross: 2 I co-supervised two Master’s students—one in Public Health (Antonella Ingabire) and one in Global Health (Massoma Jafari) —during their internship/placement at the Canadian Red Cross, guiding them in their applied research and program evaluation projects focused on humanitarian health initiatives.

2021 - present Academic mentoring to PhD Students: 5
Provide academic guidance and mentorship to three PhD candidates at the University of Ottawa—Karine Coen-Sanchez (Sociology), Akalewold Gebremeskel (International Development), and Julia Hajjar (Population Health)—and two PhD candidates at McMaster University in Global Health, including Mercy Lilian Gichuki. I am also currently a member (with special permission) of the thesis advisory committee for Fatima Homid (Global Health, McMaster), whose research focuses on the lived experiences of refugee women in the provincial shelter system.

2020 - present Mentoring First Year Population Health Graduate Students, University of Ottawa
Number of Mentees: 8.
Lead the Population Health Graduate Student Association (PHGSA) Mentorship program at the University of Ottawa to link incoming first year PhD Population Health

Students with upper years to provide academic and social support throughout the year (2019-2022).

PROGRAM DEVELOPMENT

2016 – 2019 Program Manager for development of a 12-week semester for McMaster University Global Health. Program Title: Global transition within local communities. Small place, big changes. Course Level: Graduate; Program Description: This is a joint semester between McMaster University and the University of South Eastern Norway. Graduate students (Master's of Science in Global Health) travel to Tønsberg, Norway on exchange for three months to complete a semester exchange. The semester course is focused on how the populations in Canadian and Norwegian regions face similar threats to their natural resources, their health, and their rights, particularly in the High North.

EVENT ADMINISTRATION

Aug. 2024 – present Co-organizer, Fall Institute on AI and Health Law (Oct 2024), Reproductive Health and Rights Conference (Nov 2024), Summer Institute on Mental Health Law (June 2025), Law Enforcement and Public Health (July 2025), and Mental Health Law Conference (Oct 2025), Policy Salon and Café Scientifique on Navigating Vaccine-Preventable Disease Outbreaks in an Era of Declining Global Cooperation: Establishing Canada's Role as a Global Leader (Jan 2026), Policy Salon on Canada's Role in Global Health Security (Feb 2026) as Associate Director at the Centre for Health Law Policy and Ethics.

May-Nov. 2023 Co-organizer, Population Health Graduate Student Association Writing Retreats, June 2nd-4th 2023 and November 3-5th, 2023.

Oct. 2018 Lead Organizer, *Global transition within local communities, small places, big changes.* Workshop - Event highlighted the four-year High North Programme and strengthening partnership, focusing how the populations in Canadian and Norwegian regions face similar threats to their natural resources, their health, and their rights, in a globalized world. Agenda included issues of climate change, migration, and mental health. Responsible for all logistics of symposium including coordinating/drafting symposium program, organizing the presenters, and ensuring marketing/communication internally and externally.

May 2017 Lead Organizer, *Symposium on Antimicrobial Resistance, Seminar* - Included 3 events and collaboration with three departments and an international component of invited speakers/guests, including Her Royal Highness Princess Margriet of the Netherlands as Guest of Honour. Created a comprehensive plan which included detailed communication strategy (key contacts - security, PR, Embassy of the Netherlands & Toronto Consulate, McMaster's president's office, Mayor of Hamilton's office, RCMP), responsible for risk management plan, marketing plan, stakeholder plan and organization of entire event.

COMMUNITY & VOLUNTEER ACTIVITIES

2023 – present Canadian Red Cross Volunteer as a technical advisor and research in the Health in Emergencies.

2023 – present	Team Manager (U12/U13/U14/U15 Boys soccer) and Treasurer (U12/U13 Boys soccer), Gloucester Hornets Soccer Club. Organized schedule for practice, games and tournaments; set up banking, financing and payments for soccer team activities.
2019 – 2025	Executive member on Booksale Fundraising and Volunteering at local public school (Mutchmor Public School) and regularly volunteer in school activities (i.e. Terry Fox run, elementary field trips, reading/assisting in classrooms).
2022 – 2024	Treasurer, Population Health Graduate Student Association
2020 – 2022	Profiles in Leadership Series - Interdisciplinary School of Health Sciences, University of Ottawa. Working with the School Director and graduate students as lead planner to organize and deliver a six-session series with Leaders in Health Services and the health sciences.
2020 – 2022	Population Health Writing Group – Lead planner and co-facilitator of the Population Health PhD students/candidates to discuss writing goals and setting targets for writing manuscripts, grants, fellowship/award applications. Organize monthly expert speakers to discuss key writing themes.
2020 – 2022	Moderator, Anti-racism Panels – working closely with organizer, Karine Coen-Sanchez, Doctoral Student at the University of Ottawa, School of Social Sciences to deliver and evaluate anti-racism in academia panels. Panelist included Celina Caesar-Chavannes, Dr. Afua Dadesen Cooper, Dr. Boulou Ebana De B'Berri, Dr. Faye Harrison. <ul style="list-style-type: none"> - Expert Student Panel: Let's talk systemic racism (August 10th, 2020) - Let's talk racism: Canadian Sociological Association Webinar (September 17th, 2020) - A Faculty Discussion: Institutional Racism in Academia (October 29, 2020). - "What about us?" A Scholarly Discussion (March 12, 2021).
2019 – 2022	Co-President/Interim Treasurer, Population Health Graduate Student Association
2020 – 2022	Dr. Sanni Yaya Lab Webinar Series Planning Committee
2016 – 2022	Interpreter, Liaison and Fundraising, Ottawa Centre Refugee Action & There's Room, Refugee Sponsorship Group - Worked closely with settlement team to reunite newcomers with their family from Syrian Refugee Camps in Turkey and Lebanon. Provided interpretation services (Arabic - English) for key logistics (housing, schools, banking, flights, government papers and medical appointments). Worked on fundraising activities for family reunification.
2017 – 2022	Assistant Coach & Team Manager, Ottawa Internationals Soccer League Managed U12 Local Girls' Soccer Team (summer 2019) – organized schedule for practice, games and tournaments. Coached (summer 2017 & 2018) and Assistant Coached (summer 2019) U7 Boys' Soccer Team. Co-treasurer for Gloucester Hornets U9 Boys Soccer (2021).
2013 – 2019	Registrar, Good Morning Creative Arts and Preschool – Registrar for six years on Executive Board of the local co-op community preschool & creative arts program. Electronically registered applicants completed monthly electronic deposits, organized tax receipt; worked closely with accountant, President and Treasurer on financial statements/tax information.
